Sub: Identification of HS Codes for Technical Textiles.

Dear Sir/Madam

This is to inform you that the Office of the Textile Commissioner of India is carrying out an exercise to finalise the items of Technical Textile and assign specific HS codes so that benefits in import/export can be made available to them.

This exercise is being undertaken in a time bound manner. You may take upon an exercise and let us know the items of Technical Textiles which you are producing and the raw material which can be classified as Technical Textiles which you are using for production of these items. It would also be necessary that you provide the export/import data and production data for each of items/raw material.

Kindly provide us the information latest by 25th Feb. 2016 so as to enable us to accommodate your items in the final list which is being formulated for the items of the Technical Textiles. Needless to say, this is an opportunity which is being given proactively to you by this office and you may kindly avail of the same.

I await for your list by 25 Feb. 2016.

With regards

(Dr. Kavita Gupta)

To,

All Technical Textile Industry Players.
